By Joseph Oxlade. Noticeable growth in papal power occurred in the period from 1049, the start of Leo IX's papacy and the origin of the papal reform movement, to 1312, the year of the Council of Vienne, the last papally-led general council for over 100 years and the end of the more politically able and active papacy. Papal growth can be defined primarily as the increase in land, finance and ...

Curia in medieval and later Latin usage means "court" in the sense of "royal court" rather than "court of law". The Roman Curia is sometimes anglicized as the Court of Rome, as in the 1534 Act of Parliament that forbade appeals to it from England. It is the papal court and assists the Pope in carrying out his functions. The Roman Curia can be loosely compared to cabinets in governments of ...
